Dear Stoyko Stoev,

Thank you for participating in *Algorithms, Part II*. We hope that you enjoyed the experience as much as we did! We very much appreciate the energy and enthusiasm that this community brought to the learning experience. We are especially grateful to the Course Mentors who patiently and promptly answered so many questions in the discussion forums.

Please take a moment and share your thoughts of the course with future learners by writing a Review or including a Learner Story.

Best,

Bob Sedgewick and Kevin Wayne
